

SAFETY ALERT: “ALB” Baby walker

Date of notice

9 September 2024

Name of product

“ALB” Baby walker

Product picture

Sample taken from

Seller “Anqi Trading” on Lazada

The Consumer Product Safety Office has issued a notice to Anqi Trading to cease supply of the baby walker.

During the testing of this sample, it was found that the product did not comply with the following requirements from ASTM F977-22 – Standard Consumer Safety Specification for Infant Walkers:

- There are small, detachable, or loose parts that could pose choking hazards when swallowed.
- The baby walker could tip over when passing over a step and result in a potential fall hazard.
- The leg opening on each side of the walker’s seat does not meet the standard requirements and could result in a potential entrapment hazard.
- The small openings at the strap adjuster of the baby walker’s seat does not meet the standard requirements and could result in a potential entrapment hazard.
- The instruction and warnings provided were not in accordance with the requirements (e.g. content, format, language).

No report of incident or injury related to the use of this product has been received to date.

Consumers who have bought the product are advised to stop using it immediately.
