

## Xiaomi Announces Recall of Xiaomi 33W Power Bank 20000mAh (Integrated Cable)

Due to issues identified with certain raw materials from suppliers, Xiaomi is voluntarily recalling a batch of Xiaomi 33W Power Bank 20000mAh (Integrated Cable) (model: PB2030MI) manufactured between August and September 2024. These Power Banks may experience malfunctions under certain usage scenarios, potentially resulting in battery overheating, which could pose a fire hazard.

One local incident took place involving a power bank fire at a train cabin at Raffles MRT on 7 March 2025. Xiaomi has also received reports of 23 incidents globally related to this product.

Consumers should immediately stop using Power Banks that are affected by the recall. Visit Xiaomi's [website](#) and enter the Power Bank's serial number to check if it is affected by the recall, and for instructions on returning affected Power Banks for a refund.

Consumers may also contact Xiaomi at 800 8528474 (toll-free) and [service.sg@support.mi.com](mailto:service.sg@support.mi.com) for assistance.
